Sales Volume Data for Southeast Asian countries

- ▶ MarkLines Co., Ltd. (President and CEO: Makoto Sakai) has added by-model information on Myanmar and Laos to its Southeast Asian vehicle sales volume data. In addition, sales volume data by model are now available for the Philippines and Malaysia (Previously, only sales data by maker/brand were available.)
- ▶ Countries in Southeast Asia have increased their pace of motorization, due to an increase in their average income. Myanmar and Laos in the Greater Mekong Subregion are expected to grow further, following countries such as Malaysia, Thailand, and Indonesia.
- ▶ MarkLines established MarkLines (Thailand) Co., Ltd. in Thailand in July 2013 and is striving to increase its information on Southeast Asia.
- ▶ The sales volume data for Myanmar, Laos, the Philippines and Malaysia will be updated every month.

- ▶ Please refer to the link below for sales volume data in Southeast Asia.

[Business Activities] Operations of MarkLines Automotive Industry Portal

Automotive Industry Portal

MarkLines Automotive Industry Portal is a one-stop B2B online information source for the automotive industry. The portal provides two kinds of services: research tools and marketing tools.

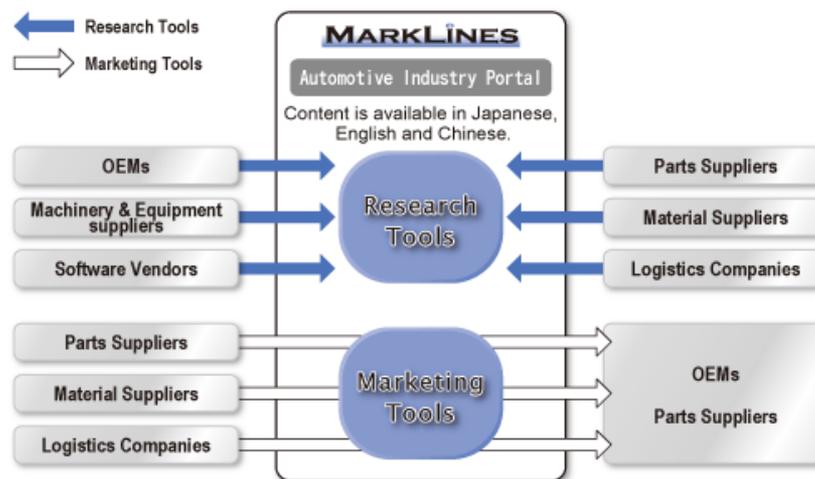

Research Tools:

MarkLines provides information about the global automotive market, which is useful to all companies working in the industry. This allows companies to save time and money by using MarkLines instead of conducting independent research.

Marketing Tools:

MarkLines has tools which promote a customer's products, technologies and services to over 90,000 MarkLines' members. MarkLines' members include various OEMs and parts suppliers around the world.

By providing services with these research tools and marketing tools, MarkLines supports its customers' procurement and marketing activities.
